**X-SENSE**

Your Trusted Home Safety Innovator

## Key Features:

- ◆ Seamlessly connects to the SBS50 base station and integrates with Alexa. Long-press the emergency button to trigger an urgent alarm.
- ◆ Easily switch security modes (disarm/home/away) by inputting a 4-digit PIN.
- ◆ Supports up to 23 passwords (1 master code + 12 shared user codes + 10 guest codes), with customizable expiry dates.
- ◆ Features entry and exit delay options for added convenience.
- ◆ Schedule security mode changes with the calendar function for automatic adjustments.
- ◆ Achieves a transmission range of at least 500m in open areas.
- ◆ Simple installation with adhesive or screws.
- ◆ Enjoy a 5-year product lifespan with replaceable batteries lasting at least 2 years

## Security Keypad

SKP0A
